

**COUNTY OF RIVERSIDE, CALIFORNIA
BOARD OF SUPERVISORS POLICY**

<u>Subject:</u>	<u>Policy Number</u>	<u>Page</u>
PARKING STALLS	G-11	1 of 1

Policy:

1. Experience has shown that angle parking is a generator of traffic accidents. No location will be considered unless the street has a minimum width of 75 feet.
2. The installation of parallel painted parking stalls will be placed only where a demonstrated need is shown in a congested business district.
